

Directions to:

Chalet Hotel La Terrasse de Verchaix

Chef Lieu

Verchaix 74440

France

- From Geneva airport (Swiss side) follow the directions for France (marked in blue on green signs at above head height).
- My preferred route is to follow the A40 direction Chamonix Mt Blanc.
- Then approx. 1km after the first toll station at Nangy (junction 15 I think), leave the motorway.
- At the end of the slip road (at the traffic lights) turn left.
- Then move over into the right lane and bear off towards Taninges and Samoens (second right) ... I think this is the D903.
- After approx 4kms, you come to a mini-roundabout where you turn right on to the D907 which you follow all the way to Taninges and then towards Samoens.
- 5 mins after Taninges you come to the lower part of Verchaix.
- Turn left at the roundabout by the Tourist Info office and La Poste.
- Head up the hill following the road.
- You soon come to a 180 degree right hand bend, and then on your right side the school.
- Ahead of you is a narrow street bordered on the right by a tea room called the Mendigote and on the left by the Hotel - Chalet Fleuri.
- Take this narrow street do not hairpin to the left following the road in front of Chalet Fleuri.
- Turn right 20metres after the Mendigote and then right again.
- Our chalet-hotel with green shutters on first floor will be right there. You can park in front for free.

It is important to remember that if you ignore the above, then follow instead signs for **Le VuAirNeige** and not Terrasse de Verchaix (which you will not find). We have recently changed the name, and it is not yet registered.

If you get stuck, then give me a call. The hotel no. is 0033 4 50 90 12 67
and my mobile 0033 6 13 86 23 80.
